

The Lilou clean-off mats reliably protect the floor from dirt and moisture and, with their modern designs they are an eye-catcher in your home. The robust, yet soft pile efficiently removes fine dirt and moisture from shoes, and the non-slip backing without a surrounding edge ensures a secure grip, even on floors with underfloor heating. The dirt-trapping mats are particularly easy to care for and can be cleaned in a washing machine at 30°C.
