

Carlo Doormat – machine washable, suitable for underfloor heating, height approx. 7 mm, non-slip

- Material: 100% polyamide
- Height: approx. 7 mm
- Total weight: approx. 2,900 g/m²
- Properties: machine washable, suitable for underfloor heating, non-slip, moisture-absorbing

The Carlo doormat combines contemporary design with practical functionality. It is made of 100% polyamide, has a total weight of approx. 2,900 g/m² and a pile height of approx. 7 mm. The mat is machine washable, suitable for underfloor heating, non-slip, and absorbs moisture, making it particularly suitable for entrance areas and hallways. It is available in various plain looks and patterns.

Information: For custom-sized carpets, such as cover-style carpets, piped carpets, serged carpets, or stair mats, there may be deviations in height or weight. The technical specifications refer to the wall-to-wall carpet variant.
